2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, read with the Circular is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.
4. 5. Basis for Qualified Conclusion

We draw attention to note 7 of the Statement with regards to the loan advanced in earlier years under the 'General-Purpose Corporate Loan' product with significant deviations to certain bodies corporate including group companies and outstanding as at December 31, 2021 aggregating to Rs. 7,965.24 crores. As stated in the said note, majority of the Company's borrowers have undertaken onward lending transaction and end use of the borrowings from the Company included borrowings by or for repayment of financial obligation to some of the group companies.

The entire outstanding exposure of Rs. 7,965.24 crores under General purpose corporate loan provided by the company in earlier years is classified as non-Performing asset (NPA) as on December 31, 2021 and the Company's exposure to the borrowers are secured against charge on current assets of the borrowers and is dependent on the recovery of onward lending of the borrowers which depends on external factors not wholly within control of the Company/borrowers. In view of the above, we are unable to substantiate the management assertion on the recoverability of principal and interest including time frame of recovery of aforesaid loans outstanding as on December 31, 2021.

Further we draw attention to note 3 of the Statement on the material shift in primary business of the Company from Housing Finance to Non-Housing Finance which comprises 83.65% of total loan portfolio raising concern about Company continuing as a Housing Finance Company.

6. Qualified Conclusion

Based on our review conducted as above, with the exception of the matter described in Basis for Qualified Conclusion, nothing has come to our attention that causes us to believe that the accompanying special purpose Statement of Ind AS financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. Emphasis of Matter

(i) Going concern

We draw attention to note 5 to the Statement which states that the Company has engaged with its lenders to enter into an Inter Creditor Agreement (ICA) for the resolution of its debt in accordance with the circular dated June 7, 2019 issued by the Reserve Bank of India for prudential framework for resolution of stressed assets with Bank of Baroda acting as the lead lender (Lead Bank). We are further informed that Lead Bank and ICA lenders had invited Expression of Interest through newspaper advertisement and through the Lead Bank website. The ICA Lenders has evaluated the bids received and selected Authum Investment & Infrastructure Ltd (Authum) as the final bidder as on 19th June 2021. Upon approval of Authum's bid by the ICA lenders, the resolution plan has been presented to the Company along with the fund distribution mechanism and has also placed it before the Board of Directors who took note of the same. The implementation of the resolution plan of the successful bidder is subject to approval of non-ICA Lenders, debenture holders, shareholders, regulatory authorities and, vacation of existing legal injunctions on the Company.

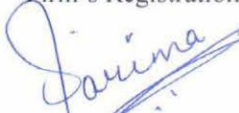

The Company has defaulted in payment of borrowings obligations total amounting to Rs. 8,901.19 crores as on December 31, 2021 and the asset cover has also fallen below hundred percent of outstanding debentures amounting to Rs. 5,967 crores. The Company's ability to meet its obligation dependent on material uncertain events including restructuring of loan portfolio, implementation of Resolution Plan by Inter Creditor Agreement for the resolution of its debt under the ICA as stated above and revival of housing finance business.

In view of steps taken by the company and the expected approval of non-ICA Lenders, debenture holders, shareholders, regulatory authorities of resolution plan and its implementation, the statement of unaudited Ind AS financial results of the Company have been prepared by the management on a going concern basis. Our conclusion is not modified in respect of this matter.
